

Changes to WHA's Service Area

Below is a general representation of our service area — changes effective January 1, 2018. This document is provided as a resource and not intended for general distribution.

A member's access to doctors and hospitals varies by network. See reverse for a list of counties and zip codes where WHA is licensed as well as contracted hospitals and medical centers. Search choosewha.com/directory.

Effective January 1, 2018:

- Marin General and Sonoma Valley hospitals are only available to WHA members through Canopy Health.
- Providers with admitting privileges into Marin General and Sonoma Valley hospitals will only be available through Canopy Health/Meritage Medical Network.
 - Members who live or work¹ in Marin or parts of Sonoma and Solano (crossover area)—regardless of WHA product and network—will have access to these providers through Canopy.
- Providers with admitting privileges to Queen of the Valley, Santa Rosa Memorial, Petaluma Valley, Healdsburg, and Sonoma West hospitals will remain under a direct contract with Meritage Medical Network and WHA.
- The Bay Area expansion (in Contra Costa, Alameda, San Francisco and San Mateo counties) is currently limited to the group (off-exchange) market.

¹Live or work only applies to members with group coverage
