## School Description

Foskett Ranch.....a place where Falcons soar!
At Foskett Ranch Elementary School students learn essential skills and knowledge to successfully progress towards college and career readiness.

Foskett Ranch opened its doors to 360 students in August 2005 and has grown to about 460 preschool through 5th grade students. In addition to quality instruction based on high standards for achievement, our focus has been to build positive school and community relations. Staff and parents organize family nights, festivals, and events to honor various achievements. Since the 20082009 school year we have continued our journey towards developing our school as a Professional Learning Community (PLC), a group that continually collaborates to seek answers to the questionsWhat do we want our students to know? How will we know they have achieved the objectives? What will we do when students do not achieve the objectives? What will we do when students advance beyond the objectives? This results-based, student-centered process focuses our instruction, intervention, professional development and plays a major role in our success. In 2010, we received state recognition as a California Distinguished School. The positive energy, collaborative spirit and devotion of adults on campus towards student achievement make Foskett Ranch a wonderful place to learn and grow.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

| 2016-17 CAASPP Results for All Students |  |  |  |  |  |  |  |
| :--- | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Subject | Percent of Students Meeting or Exceeding the State Standards <br> (grades 3-8 and 11) |  |  |  |  |  |  |

| ELA | 44 | 51 | 53 | 54 | 48 | 48 |  |
| Math | 39 | 41 | 37 | 39 | 36 | 37 |  |

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

| Grade <br> Level | 2016-17 Percent of Students Meeting Fitness Standards |  |  |
| :---: | :---: | :---: | :---: |
|  | $\mathbf{4}$ of $\mathbf{6}$ | 5 of 6 | 6 of 6 |
|  | 24.1 | 34.5 | 18.4 |

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| 2015-16 CAASPP Results by Student Group <br> Science (grades 5, 8, and 10) |  |  |  |  |
| :--- | :---: | :---: | :---: | :---: |
| Group | Number of Students |  | Percent of Students |  |
|  | Enrolled | with Valid Scores | w/ Valid Scores | Proficient or Advanced |

| Female | 23 | 23 | 100.0 | 56.5 |
| White | 47 | 46 | 97.9 | 67.4 |
| Socioeconomically Disadvantaged | 12 | 12 | 100.0 | 50.0 |

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Students with Disabilities | 39 | 38 | 97.44 | 23.68 |

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

## Opportunities for Parental Involvement (School Year 2017-18)

Foskett Ranch parents are actively involved. Parents assist teachers daily in the classroom with small group instruction, art presentations and projects, preparing lessons, chaperoning field trips and at class social events. Our Parent Teacher Organization (PTO) enhances the school's instructional program. Parents and staff on this committee organize and host activities and events such as fundraisers, family nights held each trimester, book fairs, and afterschool enrichment clubs. Parent volunteers also play a vital role on our School Site Council (SSC), an advisory committee that helps with the school improvement plan.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## School Safety Plan

Foskett Ranch has on file a Safe Schools Plan (SSP) incorporating elements of Board Policy, the Single Plan for Student Achievement, the Family Handbook, and the Site Crisis Management Plan. The SSP addresses a wide range of safety issues such as student discipline, safe entry and exit to campus, physical plant safety, and crisis intervention. The SSP is reviewed annually and updated as necessary by the School Site Council.

## Professional Development provided for Teachers

At the district level many professional development opportunities are available for staff development including positive behavior support strategies, and strategies/techniques to address the needs of English learners and students with special needs, GATE certification, county workshops to study Common Core math, language arts, and Next Generation Science Standards (NGSS). Four district instructional coaches work individually and with grade levels to assist in the areas of English language arts, math and science. Two of the coaches also assist schools to implement the state's newly adopted English Language Development Standards (ELDS) and to gain an understanding of designated and integrated English Language Development to implement in the classroom. At the site level teachers collaborate in grade level teams to design English language arts units that align with literature, social studies, science, English language development, technology and the arts.

## Types of Services Funded

Homework intervention club is an after school program that allows students in grades 3-5 the opportunity to work with certificated staff to receive assistance with homework completion. During grade level differentiation time, students working below grade level benchmarks in the area of English Language Arts receive intervention by certificated and classified staff. Students that qualify for Special Education receive services as outlined in their Individualized Education Plans (IEP). Students and teachers set individualized goals at each student's independent reading level, and daily independent reading is monitored through teacher/student conferences using the Accelerated Reader program.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
