**Western Placer Teacher's Association** – Kris Knutson, President commended Carlin C. Coppin for the presentation. He reported that each site is ready for STAR testing. He commented on the spring sports at L.H.S. He also spoke of the great stories regarding students in our schools in the Lincoln Messenger. He reflected on the relationship between WPTA and WPUUSD. He stated that WPTA has been greatly involved in the decision making process this year. He then discussed the suspensions and reductions, and asked two questions of Mr. Yohe. First, Was there a reason that WPTA was not included in the reduction/suspension discussions? Second, Is this type of exclusion to be expected in the future? He then asked for answers to his questions.

---

Mr. Yohe stated that this budget process is not the wave of the future. He explained the district is in financial difficulty, and took emergency actions. There were cuts throughout the district. Weekly meetings were held with Placer County. Placer County Office of Education recommended that the District would have to give pink slips to balance the budget. They felt we did not want to take this course of action. The management team looked at what it would take to balance the budget without certificated layoff notices. They had 14 days to make adjustments to our budget in order to remove us from the Qualified Budget status. The district has tightened up spending in many areas throughout the District, which include the temporary suspension of a number of programs.

Mr. Long voiced his concerns about the suspension of Woodleaf, asking if it could still happen for next year. Mr. Yohe explained that teachers could possibly use their lottery monies to go towards Woodleaf, along with any fund raising. Mr. Long asked if we could look into other ways to help fund the Woodleaf Program.

Mr. Knutson thanked the press for putting information regarding Interdistrict Agreement Transfers in the Lincoln News Messenger.

**Western Placer Classified Employee Association** – Joe Ross, President welcomed Mr. McLeod to the Board of Trustees. He commended Carlin C. Coppin for their presentation. He also thanked the district administration for keeping him informed on all that is going on with classified, so he felt there was not a need to bring up the cuts with classified. He reported that he, Bob Noyes, and Kris Knutson met regarding the retirement party. Plans are being made for May 27<sup>th</sup>, at McBean Park.

**Roger R. Yohe, District Superintendent** - No Report

**Assistant Superintendent of Business, Jay M. Stewart** -

Facilities Focus: Jay explained the Twelve Bridges Elementary School is going as scheduled, things are ready to go with Foskett Ranch and the High School Stadium. The Twelve Bridges Middle School and Foskett Ranch will start construction in 2 weeks. May 17<sup>th</sup> is the scheduled date for the contractor to start the Stadium. Once the new schools are built the current schools will feel relief from reduced enrollment.

**Assistant Superintendent of Educational Services, Scott Leaman** - Program Focus Area: Adequate Yearly Progress Changes: Mr. Leaman updated the Board of Trustees on adequate yearly progress. Sheridan will make their AYP. The state will extract HIS from our district. STAR testing will start next week. We will start SABE testing in May. We just finished GATE testing. We will be presenting a math adoption. Mr. Long had questions regarding co-mingling with HIS and Lincoln High School. Mr. Leaman explained the State is working on cleaning up our reports. The HIS scores do not effect Glen Edwards Middle School on 2<sup>nd</sup> year program improvements. Mr. Leaman also said the State will take HIS out for last year.

---

**Personnel Director, Bob Noyes** - Mr. Noyes reported on the new bill for Charter Schools. He also reviewed vacancies at each site. ## **7. PUBLIC HEARING**

**Barbara Muskat, Glen Edwards Middle School Teacher** - Spoke on behalf of the Arts Core program, she has taught this program for the past 5 years, this was mandated about 5 years ago. She indicated how proud she is of this program. After being informed about the suspension she felt she needed to speak. She review the curriculum for the Arts Core program, and explain what our students will not get due to our budget cuts, and how hard she worked on showing integrations to the teachers in our art program. The students get pulled out about every two weeks, this includes dance and drama. She has seen a wonderful improvement in our program and the students, the program has helped students get caught up in art. She is an art advocate for all students, she would like to keep the arts as a core subject, and she hopes to see arts core brought back to our district. She expressed her understanding of our suspension, but ask to please bring the program back.

Ginny Henderson, Carlin Coppin Teacher -expanded on the program and how it effects GATE program.

Mr. Sonnenburg - Explained it's a great program, but the board must support the administrator's recommendation in order to balance the budget.

Mrs. Davis, Glen Edwards Parent - Spoke about how the program has affected her student and says how much her son enjoys the art program, also explained she works for the Sacramento Ballet, and is willing to work with the schools. We should look into programs to come into our schools.

Mrs. Roberts questioned Mr. Stewart regarding stipends, and how are we going to oversee some of our programs without activities director. He responded by saying some of the responsibility will be transferred to administration.

Mr. Stewart also explained, it's not the Woodleaf Program that's being cut, it's the stipends for the teachers.

Mike Agrippino - Spoke on behalf of the Arts Core Program, and how important the program is to the students. He also said, he was glad to hear that teachers could work on help raising funds to keep the Woodleaf Program in place.

---
