## About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school at 916-434-5292.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

## Opportunities for Parental Involvement

Parents are considered key partners in the education of all students and are involved in a variety of ways including:

- Serving on an active Parent Teacher Club coordinating monthly events/activities that include an annual spaghetti/silent auction, movie nights, jog-a-thon, father/daughter dance, moms/kids muffins breakfast, providing special assemblies, assisting in the funding of classroom and school materials, and supporting extra curricular activities.
- Serving as a classroom Art Docent presenting monthly art lessons in classrooms.
- Dad's serving as a WatchDOG by volunteering at least one day a year on campus. These dads help in their child's classrooms and provide extra supervision during lunches and recesses.
- Serving on the School Site Council which is responsible for monitoring the School Improvement Plan.
- Volunteering in their child's classroom and/or assisting the teacher with various activities on and off campus.

Attending class field trips scheduled throughout the school year.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## School Safety Plan

The School Safety Plan, revised and approved in November of each year, lays out a plan for ensuring students learn in a secure and safe environment that covers routine and emergency procedures. Arrival and departure procedures are in place to ensure the safe and orderly ingress/egress of students. The campus is closed during the day with all visitors checking in through the office. Staff monitors students at all times throughout the school day including movement about campus and recess times. Classroom doors have been designed to be locked from the inside should lock-down procedures be implemented. Emergency procedures are rehearsed throughout the school year. The Covey Leadership Program is in place to recognize and reward students for positive behaviors that specifically contribute to a school climate that minimizes negative behaviors (such as bullying, fighting, teasing).
